

STURDY HOT PRESS BUND

STURDY PRODUCTS introduce the Hot Press Bund to protect your home for water damage due to cracks and leaks in Immersion Tanks.

Features & Benefits

Sturdy Hot Press Bunds are designed to hold the capacity of all domestic hot water cylindrical tanks and can be fitted with an overflow pipe to completely eliminate the risk of leakage.

Fit and forget with peace of mind in the knowledge that your tank is secure.

Once off, easy installation and no further maintenance is required.

Temperature extremes will not effect the products

Available in 3 different sizes, see below.
