

STURDY 4 X 4 PROTECTIVE INSERTS

The Sturdy 4x4 Insert is the solution to maintaining a clean yet functional off roader. This robust and strong plastic insert is designed to withstand the day to day abuse subjected to many a 4x4 vehicles.

It is designed with a flat base and high sides to protect the interior. It can be fitted and screwed into position or it can sit in place. It can be easily taken out to leave a spotlessly clean carpeted interior ready for any occasion.

Using this jeep insert will allow you to make better use of your vehicle while maintaining a clean interior and hence a better resale price for your 4x4.

The Inserts are suitable for both long and short wheelbase vehicles.

Sturdy Products also produce an insert for the crew-cab models such as the Nissan Pathfinder, Nissan Navara, Mitsubishi L200, Toyota Hilux and Toyota SR5. It may not fit certain models which have been modified with such features as roll-bars.

Please note that as vehicle designs change from year to year we cannot guarantee that the insert will fit all models. We would recommend that you call to us for a fitting before purchasing.
